Sprint Plan 3

05/06/2019

- As a user I want an about page so that I can understand the origins of the information that I am viewing: 6
 - Create text for about page: 2
 - Create UI for about page and beautify it: 4
- As a user I want more preset tiles that are relevant to the current day tech industry: 34
 - Determine which tiles are most desirable: 9
 - Add the tiles to the page: 5
 - Determine whitelist / blacklist of terms: 10
 - Create and style front end forms for custom tiles: 10
- As a user I would like to manually select skills and filters to populate graphs: 8
 - Create manual query page: 6
 - Add manual query to home page tiles: 2

Total Points: 48
