

Sprint Plan 4

Sprint 4:

User Story 1:

- As a user I want each page I visit to be secure and have purpose
 - Task 1: Add Google analytics to URL to track visits, button clicks, etc. (3)
 - Task 2: Add HTTPS to site (5)

User Story 2:

- As a user I want a personalized experience to help me find skills that compliment my current skill set.
 - Task 1: Implement search bar (6)
 - Task 2: Dynamic search bars (9)
 - Task 3: Autocomplete search bar (9)
