

Sprint 4 Review: JobStats

3/11/19

Actions to stop doing:

- Taking too long on tasks that aren't as important and simply need tweaking.

Actions to start doing:

- Working on individual time and implementing tile view.

Actions to keep doing:

- Meeting regularly to work together finish implementing all the features.

Work completed:

- Tile view, top skills algorithm, insights algorithm

Works not completed:

Work completion rate:

- For this sprint we planned to complete three user stories which we estimated would take 71 work hours. This sprint lasted 14 days during which we were fully able to complete all three user stories for a total number of 71 hours worked. This brings the daily rate of user story completion to 0.19 and the daily rate of hours worked to 5.07.
