Actions to start doing:

- Ensuring the product is bug free
- Finishing all paperwork
- Finishing presentation

Actions to keep doing:

- Working hard and staying on task

Work Completed:

- Search Bar
- UI/UX improvements
- Entirety of the JobTrends project for this quarter

Work Not Completed:

- Miscellaneous features from product backlog that were not feasible in the given time frame

Work Completion Rate:

For this sprint, we planned to complete two user stories, and estimated that this would take 37 work hours. This sprint lasted 13 and we were able to fully complete both user stories, for a total number of roughly 37 hours worked. This brings the daily rate of user story completion to 0.15, and the daily rate of hours worked to 2.8.
