

## Sprint Plan 3

Sprint 3:

User Story 1:

- As a user I want a pleasant user experience because I want to use the site easily.
  - Task 1: Add button filtering functionality (9)
  - Task 2: Formatting graphs to be dynamic -- mobile friendly (4)
  - Task 3: UI Design (5)
  - Task 4: Percent value graphs (6)
  - Task 5: About page (2)
  - Task 6: Search bar (4)

User Story 2:

- As a user I want the site to present consistent and accurate data
  - Task 1: Test the scraper extensively (5)
  - Task 2: Log the errors in a file (3)
