

## Sprint 3 Review: JobStats

2/25/19

### **Actions to stop doing:**

- Putting off tasks which are deemed to be “quick and easy”

### **Actions to start doing:**

- Working on individual time

### **Actions to keep doing:**

- Meeting regularly to work together and learning the new technology.

### **Work completed:**

- Implementing individual pages, and fixing graphs. Connecting backend.

### **Works not completed:**

- Make an about page

### **Work completion rate:**

- For this sprint we planned to complete four user stories which we estimated would take 64 work hours. This sprint lasted 14 days during which we were fully able to complete three user stories for a total number of 59 hours worked. This brings the daily rate of user story completion to 0.24 and the daily rate of hours worked to 4.2.
