

Sprint Plan 4

2/25/19

- As a user I want a website that is easy to navigate through
 - Redesign landing page with tile view: 16
- As a user I want to know what this website is about, and where the data comes from.
 - Add an about page to describe functionality and inform where we are scraping from: 4
- As user I would like an account feature that lets me save personal information to mesh with already existing features:
 - Add account page: 18
 - Have account features interface with existing features: 12
- As a user I would like to have future insights as to what could be the top X things to learn
 - Create algorithm to detect various trends: 20
 - Create algorithm to properly determine top X skills/languages: 15

Total Points: 85
