Sprint 1 Review: JobStats

1/31/19

Actions to stop doing:

- Feature creeping and stalling duties.

Actions to start doing:

- Meeting together in person more and conducting more UX research.

Actions to keep doing:

- Meeting regularly to discuss ideas for the project

Work completed:

- Finding a focus group

- Create a survey

- Fix scraper

- Migrate Database

Works not completed:

Work completion rate:

- For this sprint we planned to completed two user stories which we estimated would take 30 work hours. This sprint lasted 14 days during which we were fully able to complete two user stories for a total number of 30 hours worked. This brings the daily rate of user story completion to to 0.47 and the daily rate of hours worked to 2.14.
